Trump 101

Based on extensive inside sources, including exclusive interviews with the President and Vice President, The Faith of Donald J. Trump explores his rarely discussed, but deeply important, religious beliefs and relationships with leading Evangelicals. The Chief Political Correspondent for the Christian Broadcasting Network and the "Jesus in the Public Square" columnist for the Washington Times explore the rarely discussed, but deeply important, religious beliefs and worldview of Donald J. Trump and his advisors. Donald J. Trump was raised as a Presbyterian and has praised both Christianity and the primacy of the Bible. In the Oval Office, he has surrounded himself with close advisors who share his deep faith. In this deeply reported book, David Brody and Scott Lamb draw on unparalleled access to the White House to explain President Trump's connection to the Christian faith, the evangelical right, the prosperity gospel, and the pressing moral and ethical issues of our day. In part, the authors argue, President Trump won over evangelicals not by pandering to them, but by supporting them and all their most important issues without pretending to be something he's not. Though the forty-fifth president is far from the perfect vessel—he has been married three times—his supporters argue that Donald Trump may be just what America needs. This book reveals how he has surrounded himself with believers who think he is the one guiding figure who can return us to the traditional values—hard work, discipline, duty, respect, and faith—that have long been the foundation of American life, and truly make America great again in all ways.

Carolyn 101

First he made two billion dollars. Then he made The Apprentice. Now The Donald shows you how to make a fortune, Trump style.

Betrayal

Picking up where the New York Times bestselling Front Row at the Trump Show left off, this is the explosive look at the aftermath of the election—and the events that followed Donald Trump's leaving the White House—from ABC News' chief Washington correspondent. Nobody is in a better position to tell the story of the shocking final chapter of the Trump show than Jonathan Karl. As the reporter who has known Donald Trump longer than any other White House correspondent, Karl told the story of Trump's rise in the New York Times bestseller Front Row at the Trump Show. Now he tells the story of Trump's downfall, complete with riveting behind-the-scenes accounts of some of the darkest days in the history of the American presidency and packed with original reporting and on-the-record interviews with central figures in this drama who are telling their stories for the first time. This is a definitive account of what was really going on during the final weeks and months of the Trump presidency and what it means for the future of the Republican Party, by a reporter who was there for it all. He has been taunted, praised, and vilified by Donald Trump, and now Jonathan Karl finds himself in a singular position to deliver the truth.
The Greatest Speeches of President Donald J. Trump This is the book that the leftist elites don't want you to read -- Donald Trump, Jr., exposes all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to rampant "political correctness." In Triggered, Donald Trump, Jr. will expose all the tricks that the left uses to smear conservatives and push them out of the public square, from online "shadow banning" to fake accusations of "hate speech." No topic is spared from political correctness. This is the book that the leftist elites don't want you to read! Trump, Jr. will write about the importance of fighting back and standing up for what you believe in. From his childhood summers in Communist Czechoslovakia that began his political thought process, to working on construction sites with his father, to the major achievements of President Trump's administration, Donald Trump, Jr. spares no details and delivers a book that focuses on success and perseverance, and proves offense is the best defense.

I Alone Can Fix It One of Donald Trump's trusted advisers shares her hard-won wisdom and business advice for young professional women, explaining how to get ahead in the cutthroat world of modern-day business, how to deal with a difficult boss, how to maintain a healthy balance between work and one's personal life, and more.

The Strange Case of Donald J. Trump Learn how you, too, can be rich and famous with our pocket guide, consisting of highlights from his bestselling book.

Inside Trump's White House An instant New York Times bestseller. Critics agree: Michael Wolff’s Landslide is THE book on Trump. “Landslide . . . is the one to leap upon. Smart, vivid and intrepid . . .” —The New York Times “I inhaled Landslide, gobbled it up.” —Slate “Wow. Just wow . . .” —Evening Standard “Cruel, unforgiving, muckraking, scandalous. I couldn’t stop reading it.”—The Telegraph We all witnessed some of the most shocking and confounding political events of our lifetime: the careening last stage of Donald J. Trump's reelection campaign, the president’s audacious election challenge, the harrowing mayhem of January 6, the buffoonery of the second impeachment trial. But what was really going on in the inner sanctum of the White House during these calamitous events? What did the president and his dwindling cadre of loyalists actually believe? And what were they planning? Michael Wolff pulled back the curtain on the Trump presidency with his #1 bestselling blockbuster Fire and Fury. Now, in Landslide, he closes the door on the presidency with a final, astonishingly candid account. Wolff embedded himself in the White House in 2017 and gave us a vivid picture of the chaos that had descended on Washington. Almost four years later, Wolff finds the Oval Office even more chaotic and bizarre, a kind of Star Wars bar scene. At all times of the day, Trump, behind the Resolute desk, is surrounded by schemers and unqualified sycophants who spoon-feed him the “alternative facts” he hungers to hear—about COVID-19, Black Lives Matter protests, and, most of all, his chance of winning reelection. Once again, Wolff has gotten top-level access and takes us front row as Trump’s circle of plotters whittles down to the most enabling and the president reaches beyond the bounds of democracy as he entertains the idea of martial law and balks at calling off the insurrectionist mob that threatens the institution of democracy itself. As the Trump presidency's hold over the country spiraled out of control, an untold and human account of desperation, duplicity, and delusion was unfolding within the West Wing. Landslide is that story as only Michael Wolff can tell it.

A Pocket Guide to Trump The former attorney general provides a candid account of his historic tenures serving two vastly different presidents, George H.W. Bush and Donald J. Trump. William Barr’s first tenure as attorney general under President George H.W. Bush was largely the result of chance, while his second tenure under President Donald Trump a deliberate and difficult choice. In this candid memoir, Barr takes readers behind the scenes during seminal moments of the 1990s, from the LA riots to Pan Am 103 and Iran Contra. Thirty years later, Barr faced an unrelenting barrage of issues, such as Russiagate, the
COVID outbreak, civil unrest, the impeachments, and the 2020 election fallout. One Damn Thing After Another is vivid, forthright, and essential not only to understanding the Bush and Trump legacies, but also how both men viewed power and justice at critical junctures of their presidencies.

Landslide The author describes the secrets of investing in real estate, offers advice on spending money like a billionaire, and includes a behind the scenes look at his television program "The Apprentice."

Trump Summer 2018: Two years into President Donald J. Trump's first term in office, America has never been greater. The Even Greater Wall along the Mexican border is under construction, paid for by Mexico. Americans have more money in their pockets thanks to lower taxes and the president's creative money-raising strategies. (Who else would have thought to pay for FEMA's budget by suing the Catholic Church over property damage caused by acts of God?) And while Trump's detractors may call him a tyrant, the American people love bullies when the victim is Congress: every time they impeach the president, his approval rating skyrockets. Ever conscious of his hugely important historical legacy, The Donald plucks disgraced tabloid reporter Jimmie Bernwood—the man responsible for publishing the infamous Ted Cruz sex tape—from the depths of anonymity to become his official biographer, giving him enviable access to the gold-plated White House and all of its secrets. When Trump's previous biographer turns up dead, Bernwood must do some real investigative reporting, get to the bottom of a long series of murders and, if it's absolutely unavoidable, save the country. The Day of the Donald is a hilariously hair-raising look at the (possible) future of America.

The Dangerous Case of Donald Trump In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparking detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this captivating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.

The America We Deserve In Trump 101, Trump himself becomes your personal mentor and coach as he shares tips, tactics, and strategies, all designed to help you make the most of yourself, your career, and your life. Each chapter covers a basic rule or belief, and shows you how to make it work for you. Learn the vital qualities and skills that every successful businessperson needs.

The Reckoning The author tells how he rebounded from the verge of bankruptcy in 1990 to regain his status as New York's most
prominent businessman, revealing his successful real estate and investment strategies

A Very Stable Genius "WE WILL MAKE AMERICA STRONG AGAIN. WE WILL MAKE AMERICA SAFE AGAIN. AND WE WILL MAKE AMERICA GREAT AGAIN. GREATER THAN EVER BEFORE!" --President Donald J. Trump The ultimate collection of President Donald J. Trump's most important speeches and words to the Nation, from his Campaign Announcement at Trump Tower to his surprise Presidential Victory Speech, to his speech to the People of Poland in Warsaw, to his Salute to America at Mount Rushmore and his Farewell Address to the People of the United States and the World. THE GREATEST SPEECHES OF PRESIDENT DONALD J. TRUMP is edited by New York Times bestselling author and President Reagan biographer Craig Shirley who will also write the INTRODUCTION. This beautiful book will include historical photographs throughout and is the perfect gift for anyone who wants to know the history of how President Trump MADE AMERICA GREAT AGAIN! And in the President's own strong and inspiring words from his final speech to the Nation from Washington D.C. while in office as the 45th President of the United States of America: "We must never forget that while Americans will always have our disagreements, we are a nation of incredible, decent, faithful, and peace-loving citizens who all want our country to thrive and flourish and be very, very successful and good. We are a truly magnificent nation As long as the American people hold in their hearts deep and devoted love of country, then there is nothing that this nation cannot achieve. Our communities will flourish. Our people will be prosperous. Our traditions will be cherished. Our faith will be strong. And our future will be brighter than ever before. I go from this majestic place with a loyal and joyful heart, an optimistic spirit, and a supreme confidence that for our country and for our children, the best is yet to come. Thank you, and farewell. God bless you. God bless the United States of America."

One Damn Thing After Another In Never Give Up, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, Never Give Up will help you deal with your own personal challenges, failures, and weaknesses.

Free, Melania As this bestseller predicted, Trump has only grown more erratic and dangerous as the pressures on him mount. This new edition includes new essays bringing the book up to date—because this is still not normal. Originally released in fall 2017, The Dangerous Case of Donald Trump was a runaway bestseller. Alarmed Americans and international onlookers wanted to know: What is wrong with him? That question still plagues us. The Trump administration has proven as chaotic and destructive as its opponents feared, and the man at the center of it all remains a cipher. Constrained by the APA’s “Goldwater rule,” which inhibits mental health professionals from diagnosing public figures they have not personally examined, many of those qualified to weigh in on the issue have shied away from discussing it at all. The public has thus been left to wonder whether he is mad, bad, or both. The prestigious mental health experts who have contributed to the revised and updated version of The Dangerous Case of Donald Trump argue that their moral and civic “duty to warn” supersedes professional neutrality. Whatever affects him, affects the nation: From the trauma people have experienced under the Trump administration to the cult-like characteristics of his followers, he has created unprecedented mental health consequences across our nation and beyond. With eight new essays (about one hundred pages of new material), this edition will cover the dangerous ramifications of Trump's unnatural state. It’s not all in our heads. It's in his.

President Trump - The Collected Speeches (2017-2020) Extended Edition One may think that Donald Trump knows what he’s talking about. After all, the man—as he’ll remind you at every opportunity—has made a whopping $4 million as an entrepreneur and is far ahead of his competitors in the race to become the republican nominee for the 2016 presidential election. He’s also...
bold, self-assured, and argumentative. He talks as if he knows what he’s talking about. And then reality sets it. He can’t actually believe the ludicrous things that come out of his mouth. Or can he? This brilliant, hilarious, and horrifying collection is a compilation of more than one hundred of the most mind-boggling, insane, crass, ignorant, and downright offensive statements he's made, Tweeted, or otherwise written. We’ll cover his thoughts on public policy, international relations, President Barack Obama, his opponents, himself--and much, much more. So buckle up, America, because common sense, experience, grace, and political knowledge—who needs them? As Trump said, he will be one of the greatest presidents “that God ever created.”

Trump By examining Trump's verbal techniques, this book illuminates how he employs words to power his presidency whilst scandalizing the world.

Trumpisms The history books will show that during the early morning hours of Wednesday November the 9th, billionaire businessman and novice politician Donald J. Trump became the 45th President of the United States. Not since Truman upset Dewey has there been a bigger political shocker for the ultimate job in the nation as Trump successfully vanquished former First Lady and former Secretary of State Hillary R. Clinton. Through a combination of bravado, bombast, and a never-give-up attitude, Trump served as a changing of the guard when it came to the Presidency and what the country was saying through his election. Already a historical development that will likely reverberate for years and years, take a quick trip down memory lane through Trump's own words. From the announcement speech that got everything rolling, through his first Republican primary debate and then a trio of head-to-head duels with clinton, followed by his winning acceptance speech, Donald Trump did it his way. His way ultimately proved to be the winning way.

Language in the Trump Era The instant New York Times and USA Today bestseller America is suffering from PTSD—The Reckoning diagnoses its core causes and helps us begin the healing process. For four years, Donald J. Trump inflicted an onslaught of overlapping and interconnected traumas upon the American people, targeting anyone he perceived as being an “other” or an enemy. Women were discounted and derided, the sick were dismissed as weak and unworthy of help, immigrants and minorities were discriminated against, and money was elevated above all else. In short, he transformed our country into a macro version of his malignantly dysfunctional family. How can we make sense of the degree to which our institutions and leaders have let us down? How can we negotiate a world in which all sense of safety and justice seems to have been destroyed? How can we—as individuals and as a nation—confront, process, and overcome this loss of trust and the ways we have been forever altered by chaos, division, and cruelty? And when the dust finally settles, how can we begin to heal, in the midst of ongoing health and economic crises and the greatest political divide since the Civil War? Mary L. Trump is uniquely positioned to answer these difficult questions. She holds a Ph.D. in clinical psychology specializing in trauma, has herself been diagnosed with post-traumatic stress disorder, and happens to be Donald J. Trump’s only niece. In The Reckoning, she applies her unique expertise to the task of helping us confront an all-encompassing trauma, one that has taken an immense toll on our nation’s health and well-being. A new leader alone cannot fix us. Donald J. Trump is only the latest symptom of a disease that has existed within the body politic since America’s inception—from the original sin of slavery through our unceasing, organized commitment to inequality. Our failure to acknowledge this, let alone root it out, has allowed it to metastasize. Now, we are confronted with the limits of our own agency on a daily basis. Whether it manifests itself in rising levels of rage and hatred, or hopelessness and apathy, the unspeakable stress of living in a country we no longer recognize has affected all of us for a long time, in ways we may not fully understand. An enormous amount of healing must be done to rebuild our lives, our faith in leadership, and our hope for this nation. It starts with The Reckoning.
Too Much and Never Enough
First he made five billion dollars. Then he made The Apprentice. Now The Donald shows you how to make a fortune, Trump style. HOW TO GET RICH Real estate titan, bestselling author, and TV impresario Donald J. Trump reveals the secrets of his success in this candid and unprecedented book of business wisdom and advice. Over the years, everyone has urged Trump to write on this subject, but it wasn’t until NBC and executive producer Mark Burnett asked him to star in The Apprentice that he realized just how hungry people are to learn how great personal wealth is created and first-class businesses are run. Thousands applied to be Trump’s apprentice, and millions have been watching the program, making it the highest rated debut of the season. In Trump: How To Get Rich, Trump tells all—about the lessons learned from The Apprentice, his real estate empire, his position as head of the 20,000-member Trump Organization, and his most important role, as a father who has successfully taught his children the value of money and hard work. With his characteristic brass and smarts, Trump offers insights on how to • invest wisely • impress the boss and get a raise • manage a business efficiently • hire, motivate, and fire employees • negotiate anything • maintain the quality of your brand • think big and live large Plus, The Donald tells all on the art of the hair! With his luxury buildings, award-winning golf courses, high-stakes casinos, and glamorous beauty pageants, Donald J. Trump is one of a kind in American business. Every day, he lives the American dream. Now he shows you how it’s done, in this rollicking, inspirational, and illuminating behind-the-scenes story of invaluable lessons and rich rewards.

Never Enough
In Never Give Up, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes—and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump’s career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, Never Give Up will help you deal with your own personal challenges, failures, and weaknesses.

Donald J. Trump, the 45th President of the United States The transition from President Donald J. Trump to President Joseph R. Biden Jr. stands as one of the most dangerous periods in American history. But as #1 internationally bestselling author Bob Woodward and acclaimed reporter Robert Costa reveal for the first time, it was far more than just a domestic political crisis. Woodward and Costa interviewed more than 200 people at the center of the turmoil, resulting in more than 6,000 pages of transcripts—and a spellbinding and definitive portrait of a nation on the brink. This classic study of Washington takes readers deep inside the Trump White House, the Biden White House, the 2020 campaign, and the Pentagon and Congress, with vivid, eyewitness accounts of what really happened. Peril is supplemented throughout with never-before-seen material from secret orders, transcripts of confidential calls, diaries, emails, meeting notes and other personal and government records, making for an unparalleled history. It is also the first inside look at Biden’s presidency as he faces the challenges of a lifetime: the continuing deadly pandemic and millions of Americans facing soul-crushing economic pain, all the while navigating a bitter and disabling partisan divide, a world rife with threats, and the hovering, dark shadow of the former president. “We have much to do in this winter of peril,” Biden declared at his inauguration, an event marked by a nerve-wracking security alert and the threat of domestic terrorism. Peril is the extraordinary story of the end of one presidency and the beginning of another, and represents the culmination of Bob Woodward’s news-making trilogy on the Trump presidency, along with Fear and Rage. And it is the beginning of a collaboration with fellow Washington Post reporter Robert Costa that will remind readers of Woodward’s coverage, with Carl Bernstein, of President Richard M. Nixon’s final days.

Trump: The Art of the Deal General Keith Kellogg saw it all. The only national security advisor to work side by side with both President Trump and Vice President Pence, he was their confidant as they made their most momentous decisions. No one knows better than he that the hysterical accusations of the administration’s partisan detractors were unconnected to reality. Demolishing baseless caricatures of Donald Trump, General Kellogg provides one of the few reliable accounts of the administration from the
earliest days of the 2016 campaign to the end of the president's term. Kellogg reveals: How Trump's "America First" policies strengthened the nation after Obama's eight-year apology tour Why the president's tough approach to China worked--and why future administrations must continue to take the China threat seriously How withdrawal from the Iran nuclear deal and the strike on General Soleimani slowed the spread of radical Islamist terror Why Democrats' appeasement policies are courting disaster for America and the world The radicals attacking President Trump's legacy are sacrificing sound policy to politics. Kellogg's account is an urgently needed reminder that politics is "war by other means." Our enemies never forget that, and Americans forget it to their peril.

Trump NEW YORK TIMES BESTSELLER • With unparalleled reporting, a Pulitzer Prize–winning New York Times reporter chronicles the clash between a president and the officials of his own government who tried to stop him. “A meticulously reported volume that clearly benefits from the author’s extraordinary access . . . [a] startling dissection of the Trump presidency.”—The New York Times Drawing on secret FBI and White House documents and confidential sources inside federal law enforcement and the West Wing, Donald Trump v. The United States tells the dramatic, high-stakes story of those who felt compelled to confront and try to contain the forty-fifth president of the United States as he shredded norms and sought to expand his power, bringing American democracy to the brink. Michael S. Schmidt broke many of the major stories of the Trump era, from the news of Hillary Clinton's use of a personal email account to the report on the memos of former FBI director James Comey's conversations with Trump that led directly to the appointment of special counsel Robert S. Mueller III. In Donald Trump v. The United States, Schmidt takes us inside the defining events of a presidency, chronicling the clash between an increasingly emboldened president and the officials of his own government who found themselves trying to thwart the president they had once pledged to serve. Through their eyes and ears, we observe an epic struggle to stop a rogue agent in our nation's highest office. A vital work of journalism, Donald Trump v. The United States is a riveting contemporary history and a lasting account of just how fragile and vulnerable American democracy really is.

Time to Get Tough The essential, bestselling book that first defined President Donald Trump's political ideas. The America We Deserve is the essential book for anyone who wants to understand the core of Donald Trump's political thinking. In this book, written as he first considered running for president in 2000, Trump offers no-nonsense, populist, provocative, and dramatic solutions to issues that continue to resonate with voters today. In this book, Trump lays out a vision for America that is strong, optimistic, and founded on core Republican principles of self-reliance, limited governance, economic growth, and equitable taxation. Striking for its similarities to President Trump's current initiatives--but also fascinating in its differences--The America We Deserve reveals a man who is fully engaged with the nation and cares deeply about its future. Readers and voters will discover Trump's ideas on: *Foreign policy and relations with China, Russia, North Korea, and Israel *How to fix our broken and underperforming education system *Reducing regulations on business to help create jobs and economic growth *A dramatic one-time tax on the super-wealthy to close the national debt and fuel tax cuts for the middle class *Immigration, crime, terrorism, and more The America We Deserve is essential reading for Trump-watchers, voters, Republicans, Democrats, and anyone interested in how Trump the businessman became Trump the president.

Trump Never Give Up The business magnate discusses his purchases of the Eastern Shuttle and Plaza Hotel, his construction of the Taj Mahal, and his sponsorship of heavyweight boxing, and gives advice on dealing with success and the importance of toughness

Trump Never Give Up In the summer of 2015, as he vaulted to the lead among the many GOP candidates for president, Donald Trump was the only one dogged by questions about his true intentions. This most famous American businessman had played the role of
provocateur so often that pundits, reporters, and voters struggled to believe that he was a serious contender. Trump stirred so much controversy that his candidacy puzzled anyone who applied ordinary political logic to the race. But as Michael D'Antonio shows in Never Enough, Trump has rarely been ordinary in his pursuit of success and his trademark method is based on a logic that begins with his firm belief that he is a singular and superior human being. As revealed in this landmark biography, Donald Trump is a man whose appetite for wealth, attention, power, and conquest is practically insatiable. Declaring that he is still the person he was as a rascally little boy, Trump confesses that he avoids reflecting on himself "because I might not like what I see" and he believes "most people aren't worthy of respect." A product of the media age and the Me Generation that emerged in the 1970s, Trump was a Broadway showman before he became a developer. Mentored by the scoundrel attorney Roy Cohn, Trump was a regular on the New York club scene and won press attention as a dashing young mogul before he had built his first major project. He leveraged his father's enormous fortune and political connections to get his business off the ground, and soon developed a larger-than-life persona. In time, and through many setbacks, he made himself into a living symbol of extravagance and achievement. Drawing upon extensive and exclusive interviews with Trump and many of his family members, including all his adult children, D'Antonio presents the full story of a truly American icon, from his beginnings as a businessman to his stormy romantic life and his pursuit of power in its many forms. For all those who wonder: Just who is Donald Trump?, Never Enough supplies the answer. He is a promoter, builder, performer and politician who pursues success with a drive that borders on obsession and yet, has given him, almost everything he ever wanted.

The Inaugural Address of Donald J. Trump The instant #1 bestseller. "This taut and terrifying book is among the most closely observed accounts of Donald J. Trump's shambolic tenure in office to date." - Dwight Garner, The New York Times Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's presidency “I alone can fix it.” So proclaimed Donald J. Trump on July 21, 2016, accepting the Republican presidential nomination and promising to restore what he described as a fallen nation. Yet as he undertook the actual work of the commander in chief, it became nearly impossible to see beyond the daily chaos of scandal, investigation, and constant bluster. In fact, there were patterns to his behavior and that of his associates. The universal value of the Trump administration was loyalty—not to the country, but to the president himself—and Trump's North Star was always the perpetuation of his own power. With deep and unmatched sources throughout Washington, D.C., Carol Leonnig and Philip Rucker reveal the forty-fifth president up close. Here, for the first time, certain officials who felt honor-bound not to divulge what they witnessed in positions of trust tell the truth for the benefit of history. A peerless and gripping narrative, A Very Stable Genius not only reveals President Trump at his most unvarnished but shows how he tested the strength of America’s democracy and its common heart as a nation.

Donald Trump v. The United States After dozens of books and articles by anonymous sources, here is finally a history of the Trump White House with the President and his staff talking openly, on the record. In Inside Trump's White House, Doug Wead offers a sweeping, eloquent history of President Donald J. Trump's first years in office, covering everything from election night to the news of today. The book will include never-before-reported stories and scoops, including how President Trump turned around the American economy, how he "never complains and never explains," and how his actions sometimes lead to misunderstandings with the media and the public. It also includes exclusive interviews with the Trump family about the Mueller report, and narrates their reactions when the report was finally released. Contains Interviews with the President in the Oval Office, chief of staff, Mick Mulvaney, Jared and Ivanka Kushner, Donald Trump, Jr., Eric and Lara Trump, and White House insiders.

Peril The inauguration of Donald Trump as the 45th President of the United States was held on Friday, January 20, 2017, on the
West Front of the United States Capitol Building in Washington, D.C. The inauguration marked the beginning of the four-year term of Donald Trump as President and of Mike Pence as Vice President. The presidential oath of office was administered to Trump by Chief Justice John Roberts and the vice presidential oath of office was administered to Pence by Associate Justice Clarence Thomas. Benedictions were given by several clerics (among them a rabbi and reverend Franklin Graham, son of the retired reverend Billy Graham, who for decades gave benedictions at the inauguration of US presidents). Main theme in theauguration speech of President Trump was his focus on the interests of the United States ("Make America Great Again").

The Day of the Donald President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

The Faith of Donald J. Trump The first behind-the-scenes look at the life of the most enigmatic First Lady in U.S. history Melania Trump is an enigma. Regardless of your political leanings, she is fascinating—a First Lady who, in many ways, is the most modern and groundbreaking in recent history. A former model whose beauty in person leaves people breathless, a woman whose upbringing in a communist country spurred a relentless drive for stability, both for herself and for her family. A reluctant pillar in a controversial presidential administration who speaks five languages and runs the East Wing like none of her predecessors ever could—underestimate her at your own peril (as a former government official did and was summarily fired). But who is she really? In Free, Melania we get an insider’s look at Melania Trump, from her childhood in Slovenia to her days in the White House, and everything in between. We see the Trump family dynamics that Melania has had to navigate, including her strained relationship with Ivanka. We get a rare glimpse into what goes into her famous and sometimes infamous clothing choices (including perhaps the real message behind Melania’s controversial jacket, “I Really Don’t Care, Do U?”, which she wore while visiting the U.S.-Mexico border), and how a publicly quiet Melania actually speaks very loudly—if you just know where, and how, to listen. And we get a behind-the-scenes look at her often eyebrow-raising relationship with Donald Trump, from their beginnings to becoming the most unusual First Family in modern history. Looking at Melania in the pantheon of historic First Ladies, Kate Bennett shows just how different Melania Trump is and why she matters. Bennett, an expert on First Ladies, has unparalleled access to Melania’s very small and loyal inner circle. As she shows in this page-turning book, the seemingly most reluctant First Lady is, in many ways, the most compelling and complex First Lady, ever.

Trump The real estate mogul and golfing enthusiast shares golf tips from some of the world's top golf professionals, including how to think your game better, when to swing hard, and how to foster a love of the game that will transcend setbacks.

Triggered In Never Give Up, Donald Trump tells the dramatic stories of his biggest challenges, lowest moments, and worst mistakes-
and how he uses tenacity and creativity to turn defeat into victory. Each chapter includes an inspiring story from Trump's career and concludes with expert commentary and coaching from adversity researcher and author Paul Stoltz. Inspirational and intelligent, Never Give Up will help you deal with your own personal challenges, failures, and weaknesses.

Think Like a Champion 'Riveting . . . Essential reading' GUARDIAN 'Packed with hair-raising revelations' OBSERVER The definitive behind-the-scenes story of Trump's final year in office, by Philip Rucker and Carol Leonnig, the Pulitzer Prize winning reporters and authors of the #1 New York Times bestseller, A Very Stable Genius The true story of what took place in Donald Trump's White House during a disastrous 2020 has never before been told in full. What was really going on around the president, as the government failed to contain the coronavirus and over half a million Americans perished? Who was influencing Trump after he refused to concede an election he had clearly lost and spread lies about election fraud? To answer these questions, Philip Rucker and Carol Leonnig reveal a dysfunctional and bumbling presidency's inner workings in unprecedented, stunning detail. Focused on Trump and the key players around him-the doctors, generals, senior advisers, and Trump family members- Rucker and Leonnig provide a forensic account of the most devastating year in a presidency like no other. Their sources were in the room as time and time again Trump put his personal gain ahead of the good of the country. These witnesses to history tell the story of him longing to deploy the military to the streets of American cities to crush the protest movement in the wake of the killing of George Floyd, all to bolster his image of strength ahead of the election. These sources saw firsthand his refusal to take the threat of the coronavirus seriously—even to the point of allowing himself and those around him to be infected. This is a story of a nation sabotaged-economically, medically, and politically—by its own leader, culminating with a groundbreaking, minute-by-minute account of exactly what went on in the Capitol building on January 6, as Trump's supporters so easily breached the most sacred halls of American democracy, and how the president reacted. With unparalleled access, Rucker and Leonnig explain and expose exactly who enabled—and who foiled-Trump as he sought desperately to cling to power.

War by Other Means 29 collected speeches of President Trump from 2017 to 2020 including his Inaugural Address, three State of the Union addresses, speeches to Congress, three speeches before the United Nations and one at the World Economic Forum. This consolidated set also includes remarks on a range of topics throughout the 2017-2020 Presidential term, including American energy, Iran, the US southern border, the opioid crisis, the coronavirus and the police force.

Trump Never Give Up The Strange Case of Donald J. Trump provides a coherent and nuanced psychological portrait of Donald Trump, drawing upon biographical events in the subject's life and contemporary scientific research and theory in personality, developmental, and social psychology. Dan P. McAdams, renowned psychologist who pioneered the study of lives, examines the central personality traits, personal values and motives, and the interpersonal and cultural factors that together have shaped Trump's psychological makeup, with an emphasis on the strangeness of the case—that is, how Trump again and again defies psychological expectations regarding what it means to be a human being. The book's central thesis is that Donald Trump is the episodic man. The chapters, structured as stand-alone essays each riffing on a single psychological theme, build on each other to present a portrait of a person who compulsively lives in the moment, without an internal story to integrate his life in time. With an emphasis on scientific personality research, rather than political rhetoric, McAdams shows that Trump's utter lack of an inner life story is truly exceptional. This book is a remarkable case study which should be of as much interest to psychologists as it is to readers trying to reckon with the often confounding behavior and temperament of the 45th President of the United States.

Trump Over the years, President Donald Trump has written many bestselling books, but he has also written shorter essays that
encompass his philosophy about how to live life to the fullest, both personally and professionally. In these pieces, which have been personally selected by Trump for this book, he gives his special perspective in what amounts to an "informal education" about success in business and in life. With a foreword by Rich Dad, Poor Dad, author Robert Kiyosaki, Trump's business acumen is on full display in such essays as: *Keep the Big Picture in Mind *Essays, Assets, and Stephen King *Imagination: A Key to Financial Savvy *Financial Literacy *Think Like a Genius *How to Get Rich

Trump: How to Get Rich A New York Times bestseller! For the first time in his own words, President-elect Donald J. Trump explains his plan to make America great again! He wants to “put America’s interests first—and that means doing what’s right for our economy, our national security, and our public safety.” Throughout the 2016 campaign, Trump conjured images of American strength and culture when small towns boomed with industry, mom and pop shops bustled, and people said, “Merry Christmas!” The media scoffed at Trump’s vision and the people who supported him; they were blinded by the Clinton machine. But their eyes were opened after Trump won 62 million votes and the Oval Office. Even Republican House Speaker Paul Ryan said, “Donald Trump heard a voice in this country that no one else heard.” As Trump says in Time to Get Tough, “I’ve built businesses across the globe. I’ve dealt with foreign leaders. I’ve created tens of thousands of American jobs. My whole life has been about executing deals and making real money—massive money. That’s what I do for a living: make big things happen...” Trump is about to make the biggest deals of his life, and he’s going to make them for America! From reversing lax immigration policies to eliminating regulations that restrict small businesses, Donald Trump understands that America “doesn’t need cowardice, it needs courage.” President Elect Trump is about to “Make America Great Again” and Time to Get Tough is his blueprint!
